### TRUSTING GOD'S TRUTH: A STUDY OF THE BOOK OF JEREMIAH

(Led by Larry Thrailkill)

9 WEEKS: FRIDAYS STARTING APRIL 6

FELLOWSHIP HALL

BREAKFAST: 6-6:30AM / STUDY: 6:30-7:30AM

In Galatians 6, Paul instructs us, "Do not be deceived: God cannot be mocked. A man reaps what he sows." Judah had seen the fall of Israel, yet continued to ignore God's warnings and served other gods. Jeremiah proclaims God's warnings and calls Judah to repentance. In a similar way, the modern world ignores God's Word, trusts man to solve its problems and chases other gods. Today, Jeremiah's words of warning speak to us with the same urgency as to those ultimately led into captivity.
