Hi Parents,

We have lots of fun and meaningful activities planned for children and their families this summer. We hope these activities are more than just “something to do.” At the least they should be a time of fellowship with other believers.

Hopefully many of these events will be more than that. Children will have the opportunity to invite friends to fun events in a “church” setting. At VBS and CentriKid Camp children will experience intensive teaching and hear the gospel. This year our kids in 4th—6th grades will have the opportunity to participate in Preteen ENGAGE Nashville. They will participate in mission's projects at three different locations around our city.

In order to provide fun and safe summer activities for our kids we need a lot of help. If you can assist with any of these activities, please let us know. For more information on any of the activities for preschool or children this summer visit the church website at fhbc.org or email us at don.green@fhbc.org or meg.moore@fhbc.org.

Touching the Future,
Don

GALACTIC STARVEYORS™

VBS 2017: Galactic Starveyors

June 12-16, 9am-12pm

For children who have completed Kindergarten – 6th Grade

Children will discover the incredible mysteries of the final frontier. A telescope will become a portal through which the children will encounter amazing and wonderful things designed by a Creator who is even bigger than the vastness of His creation. But the most amazing wonder to be discovered truly boggles the mind. The God who created everything there is—the knowable and the unknowable, the visible and the invisible—wants a relationship with us! And from the very beginning, God had a plan to restore the relationship He knew we would break.

To register your child for this amazing week of discoveries go to fhbc.org/vbs.

To find out how you can be a part in volunteering for Galactic Starveyors contact Lori Carter or Melanie Bass at vbs@fhbc.org.
